The updating of Table I is carried out by means of 12 monthly supplements. In order to facilitate the task of the exporting countries, the 12 supplements now report all the totals of the estimates and not only the amended data. In this way, each supplement cancels and replaces the published table in its entirety. In order to accelerate the transmission of the supplements to the competent national authorities, the first 11 supplements will appear in English only. Reading of these 11 supplements in French and Spanish may be facilitated by consulting the indexes of countries and territories and of narcotic drugs appearing at the end of the annual publication. The last supplement will be trilingual.

La mise à jour du tableau I s'effectue au moyen de douze suppléments mensuels. Afin de faciliter la tâche des pays exportateurs, les douze suppléments contiennent tous les totaux des évaluations et non pas seulement les chiffres qui ont été modifiés. De cette manière, chaque supplément annule et remplace entièrement le tableau publié. En vue d'accélérer la communication des suppléments aux autorités compétentes, les onze premiers suppléments seront publiés seulement en anglais. La lecture en français et en espagnol de ces onze suppléments pourra être facilitée par la consultation des index des pays et territoires et des stupéfiants à la fin de la publication annuelle. Le dernier supplément sera trilingue.

La actualización del cuadro I se efectúa mediante doce suplementos mensuales. Para facilitar la tarea de los países exportadores, en esos doce suplementos figuran todos los totales de las previsiones y no sólo las cifras que se han modificado. De este modo, cada suplemento anula y sustituye por completo el cuadro publicado. Con el fin de acelerar la comunicación de los suplementos a las autoridades nacionales competentes, los once primeros suplementos sólo aparecen en inglés. La lectura de estos once suplementos en español y en francés se verá facilitada si se consultan los índices de países y territorios que figuran al final de la publicación anual. El último suplemento será trilingüe.

The updating of Table I is carried out by means of 12 monthly supplements. In order to facilitate the task of the exporting countries, the 12 supplements now report all the totals of the estimates and not only the amended data. In this way, each supplement cancels and replaces the published table in its entirety. In order to accelerate the transmission of the supplements to the competent national authorities, the first 11 supplements will appear in English only. Reading of these 11 supplements in French and Spanish may be facilitated by consulting the indexes of countries and territories and of narcotic drugs appearing at the end of the annual publication. The last supplement will be trilingual.

La mise à jour du tableau I s'effectue au moyen de douze suppléments mensuels. Afin de faciliter la tâche des pays exportateurs, les douze suppléments contiennent tous les totaux des évaluations et non pas seulement les chiffres qui ont été modifiés. De cette manière, chaque supplément annule et remplace entièrement le tableau publié. En vue d'accélérer la communication des suppléments aux autorités compétentes, les onze premiers suppléments seront publiés seulement en anglais. La lecture en français et en espagnol de ces onze suppléments pourra être facilitée par la consultation des index des pays et territoires et des stupéfiants à la fin de la publication annuelle. Le dernier supplément sera trilingue.

La actualización del cuadro I se efectúa mediante doce suplementos mensuales. Para facilitar la tarea de los países exportadores, en esos doce suplementos figuran todos los totales de las previsiones y no sólo las cifras que se han modificado. De este modo, cada suplemento anula y sustituye por completo el cuadro publicado. Con el fin de acelerar la comunicación de los suplementos a las autoridades nacionales competentes, los once primeros suplementos sólo aparecen en inglés. La lectura de estos once suplementos en español y en francés se verá facilitada si se consultan los índices de países y territorios que figuran al final de la publicación anual. El último suplemento será trilingüe.
